- ✓ If for our convenience a higher capacity forklift/crane is used to perform a service instead of the necessary one the tariff applied will remain unvaried as by original request.
- ✓ For temporary import Customs formalities a cash deposit or a bank guarantee equal to the amount of duties to be paid to the Italian customs must be provided by the exhibitor.
- ✓ The empty storage service is intended for empty packing materials only. Expotrans will not be responsible for the damage or loss of any material and/or goods left inside.
- ✓ Full payment of all services provided must be done before the closing of the show.
- ✓ The Tariffs related to warehouse handling (point 7) will be calculated on the maximum volume/weight ratio: 1cbm= 333 Kilos. Rates for goods to be stored with a higher weight ratio must be agreed in advance. If the weight ratio is lower, the tariff applied will remain as shown in point 7.
